### Citizen Concern(s) / Complaint(s) / Internal Affairs Annual Analysis Report

All citizen concerns and inquiries are fully investigated by the Lewiston Police Department in order to identify training issues, and conduct quality control checks on both police employees and department operational procedures; thus advancing the professional performance and accountability of the agency within the community which we serve. It is understood that events and incidents will occur in this profession which can cause questions of concern to be raised. Each instance which is reported will be investigated and dealt with in a professional and fair manner with documentation.

The process for filing of a personnel complaint most generally begins by contacting the on-duty Shift Commander. The Patrol Commander/supervisor will hear out the nature of the complaint being made, and will be able to provide forms which will document the receipt of a formal complaint being initiated. The person who is filing the complaint may be referred for follow-up contact with the commanding supervisor of the officer who is the subject of the complaint. Types of legitimate complaints would be concerning allegations of such which would include: 1) criminal conduct by agency personnel; 2) neglect of duty; 3) violation of Departmental rules, regulations, or procedure; 4) specified conduct which would reflect unfavorably upon the individual or agency; 5) instance of problem occasioned by what is deemed to be a faulty or defective policy or procedure. The person who is filing the complaint will be requested to cause it to be put into written form, and will also request that it be signed as in accordance with any formal legal document. The supervisor taking the complaint will provide a copy of the complaint form serving as a receipt to verify that the complaint will be processed. Follow-up contact will be made within (5) days, and the person filing the complaint will be informed of its on-going status and disposition when completed, in a timely manner.
